

CASA BLANCA

Recovery House

The background of the image shows a modern, bright interior space with large glass windows and doors. In the foreground, there is a wooden deck area with a small, rectangular, light blue pool or hot tub. A brown, textured armchair is positioned on the deck. The overall atmosphere is clean, modern, and inviting.

CASA BLANCA Recovery House

(Standard Service) provides at any of their Houses an affordable package for patients seeking for a warm, friendly and comfortable environment before and after undergoing cosmetic surgery.

We customize your recovery to your particular needs based on the type of surgery. We have special rates and an ALL INCLUSIVE package for the patients.

NURSE CARE

24 hours nurse care in house with complete comfort, and postsurgical nursing expertise. Certified nurses.
